

Utility Budget Plan

- The monthly budget payment will be reviewed during May of each year, or earlier if there is a rate increase. Any change to my budget will require a new Utility Budget Plan form to be completed and signed.
- Any late or missed budget will result in the voiding of this budget agreement. If this agreement is voided, any outstanding balance (excluding current amount due) will be immediately due and subject to the City's disconnect procedures. An individual with a voided Budget Plan due to non-payment will not be eligible to apply for another Budget Plan for two years following discontinuance.
- Budget payments are due on the 10th of each month.

I have read and understand the conditions as set forth in this agreement.
