NOTES:		
<p>1) Resident fees apply only to persons that physically lived in the City of Dowagiac at the time of death (generally a 3-digit street address).</p> <p>2) A single flush marker grave may be purchased. An additional fee of \$100/grave for individual flush marker(s) applies on monument lots of 6 or more (to be paid at the time of foundation order). All flush marker graves are subject to restricted decoration periods, as noted below.</p> <p>3) Two graves must be purchased if an upright monument is desired, and upright monuments MUST embrace 2 graves. Single upright monuments are NOT allowed in blocks 98 through 110.</p> <p>4) As of September 30, 1953, this fee is included as a fixed part of grave costs. Any burials taking place in graves bought prior to this date (which are generally in blocks 95 or below) will require payment of this supplemental fee.</p> <p><i>Decorations:</i> All flush marker graves are subject to restricted decoration periods. Decorations may only be placed 5 days prior to, and remain only 5 days after, major holidays. Cemetery staff will remove, without notice, any decorations left or placed after these periods.</p>
