The Dowagiac District Library was established in 2003 to provide high quality library services to residents of the Dowagiac Union School District, including Silver Creek, Keeler and Wayne Townships, excluding Pokagon and LaGrange Townships. Reciprocal borrowing agreements make it possible for residents of the Dowagiac, Cass and Van Buren District, and Watervliet and Hartford libraries to borrow and share resources. This Board consists of seven members, who are appointed by each of the participating governments. The City appoints two members of this Board.
